BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

NOTES—First Sheet.

Bangalore City, 12th May, 1916.

My Dear Mr. Rungiah,

I am glad to inform you that I have almost regained my normal strength and health and further idling would only shorten my life. I must therefore keep my time fully engaged. Of course my constitutional rounds and attending discourses on religious and kindred matters are not enough to a man of my temperament. I think you are aware that books, newspapers and what not are my daily food and as Sir Visvesvaraya's Government are bent upon introducing Public Libraries and Reading Rooms in every nook and corner, I am anxious to render them and the public also some small help in this direction in an honorary capacity. To come to the point, I would humbly suggest the establishment of a Reading Room and Library in the heart of the City proper. If this were done I am prepared to undertake its management. I shall esteem it a great favour if you will place my humble suggestion before the Dewan Saib for favour of his orders.

Excuse trouble.

Yours sincerely,

P. Ramamurti

P.T.O.

M.G.Rungiah, Esq., B.A. B.E.,
Dewan's Office,
Bangalore.

4

P.S. I owe a deep debt of gratitude to the Dewan Saib for all what he has done in the closing stages of my official career. Had it not been for him surely I would not have been made a Gazetted Officer nor Government ~~would have~~ sanctioned me a bonus. In the former, I take the greatest pride. Since our father was a Gazetted Officer also, it is nothing but right that I should aspire to become one; but without strong support I do not know how I would have gained my object.

Submit to the Dewan Saib

13 The scheme suggested by Mr. Ramamurti involves a non-recurring equipment charge of Rs. 5000 and a recurring grant of Rs. 1500 per annum. The scheme contemplates the charges to be paid by Govt. and the Mpty. to the extent of Rs. 5300 + Rs. 1200 respectively.

4. Management etc.

I am prepared to undertake the management and control provided I am given full powers as to internal arrangements, such as Upkeep, Funds, Establishment, Accounts etc., etc., and I am held solely responsible to Government in all matters concerning the Reading Room and Library. My main object is to be of some use to Government even though I am on the retired list and to the public in general. Government may countupon my services for 12 months certain subject to further extensions in case my health permits.

5. It is proposed to locate the Reading Room and Library in the out-buildings of Janopakari Doddanna's structure as already intimated in my letter quoted above.

6. Books etc., may be selected by a Committee consisting of some of the Municipal Commissioners and educated members of the mercantile community and purchased and supplied by the Central Library, or I may be empowered to do it myself. I prefer the latter as I have got a wide experience in such matters.

7. Summing up; (a) objects aimed at are to establish and maintain a Reading Room and Library in the city so as to be of use to the residents of the city proper and extensions as also students. (b). Government to nominate the Committee members; (c) Internal management and control to be solely vested in me; (d) the subject of subscriptions from the public as also throwing open the concern to women may be left for eventual discussion and settle-

settlement; (e) encourage vernacular literature such as Sanskrit etc., so that Pandits etc., might freely use the Library and be induced to give lectures etc., etc.

8. It is presumed that the rough details furnished above will suffice to accord administrative sanction to the proposal.

9. I solicit the favour of early orders of Government. It is my intention to start the Reading Room and Library from the commencement of the next Official year.

I remain,

Yours faithfully,

Dear Sir,

Referring to our personal conversation on the 2nd instant and as the necessity to secure a building in a central locality is of first importance, I inspected the vacant rooms in Janopakari Doddanna Setty's school compound. They are four in number, two halls and two small rooms. Their measurements are 70'×11' including room, 40'×20' and 10'×8' respectively. The halls are not connected but near. Mr. Setty expects a rent of Rs 35 or 40 per month. Both the halls and the rooms require Cuddapah stone flagging and ty-lying in other respects, which, Mr. Setty has agreed to undertake, provided he is given an assurance that we would rent the buildings. He is disinclined to keep the other

other open for a long time to the detriment of other would-be renters. I am of opinion that we may give the gentleman the required assurance. Kindly take such action as you deem fit in the matter.

2. It is my intention to start the Reading Room and Library on 15th July next and there is hardly time to get the necessary furniture, etc., etc.

3. Hereunto details promised by me will follow.

Yours truly,
